Health and Memory Care

Memory Care residents enjoy a safe and secure lifestyle with all the services available to Assisted Living residents. Our staff is fully trained in supporting residents through cognitive decline and memory impairment. Our program is specially designed to enrich the lives of individuals with Alzheimer's Disease and other forms of dementia.

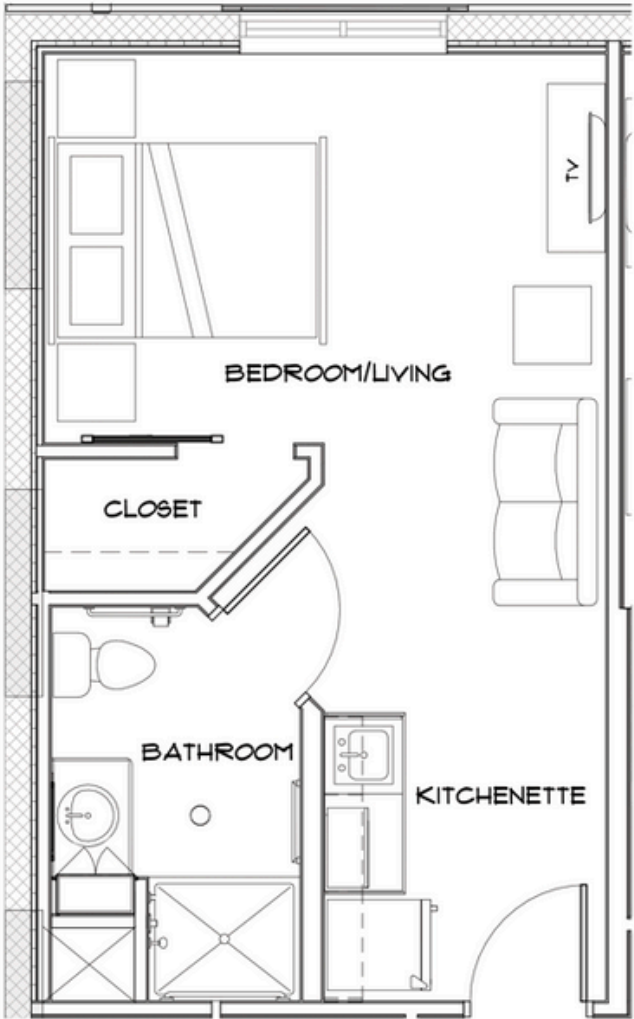

An Exceptional Dining Experience

At Strive Senior Living, we want your dining experience to be exceptional. Our chef-prepared meals are offered in an anytime dining setting, complemented by our 24/7 bistro. Using herbs and spices from our community garden, our residents have options of everyday comfort foods, specially identified heart and brain healthy foods.
